SUBJECT: Resource Conservation and Recovery Act (RCRA) Permit Consolidation

1. We wish to rescind our request of 19 Jun 98 to add the RCRA Container Storage Facility permit to the existing Open Detonation Treatment Unit Operating Permit. With recent information from your office concerning the new fee schedule and permit life issues, we feel it is in our best interest to keep these permits separate.

2. Please feel free to contact me at (505) 475-3931 if you have any questions.
