James E. Strasler, Lt. Colonel, USAF
Commander, 27th Civil Engineer Squadron
111 Engineers Way
Cannon AFB NM 88103-5136

RE: Time Extension for submittal of Landfill 5 RCRA Facility
Investigation Work Plan.

Dear Commander Strasler:

XIII

In Cannon Air Force Base's (CAFB's) letter dated May 11, 1994, a 30-day extension request was made for the submittal date of CAFB's Final Landfill 5 RCRA Facility Investigation Work Plan. Additionally, a request was made for one more meeting to confirm response details. This meeting was held on May 19, 1994. At this meeting it was agreed that a 60-day extension would be required to address all the topics discussed. Therefore, the extension request for 60-days is approved making the effective due date for this submittal July 19, 1994.

If you have any questions, please telephone Lee Winn at (505) 827-4308.

Sincerely,

A handwritten signature in cursive script that reads "Barbara Hoditschek".
