Dear Colonel Long:

Thank you for your letter to the Environmental Protection Agency (EPA) dated February 23, 1995, inviting EPA to attend the Rational National Standards Initiative Meeting. Unfortunately, the EPA will not be able to attend the meeting from February 28 through March 2, 1995.

In your letter, you discuss current cleanup regulations at Installation Restoration Program (IRP) Sites. For clarification purposes, these IRP sites are actually Solid Waste Management Units (SWMUs) that are within the HSWA Permit and are actually RCRA Sites. Mr. John Constantine at Cannon Air Force Base was informed, that under the current regulations, any cleanups at SWMUs in the HSWA Permit will accomplished by using the Subpart S Draft Guidance and will be approved by the EPA.

If you have any questions, please contact Mr. Bill Hurlbut of my staff at (214) 665-8305.

Sincerely yours,

William K. Honker, P.E.
