**PUBLIC NOTICE**  
**INFORMATIONAL MEETING –RESTORATION ADVISORY BOARD**  
**RESTORATION PROGRAM**  
**at CANNON AIR FORCE BASE, NEW MEXICO**

The United States Air Force (USAF), Cannon AFB announces a public meeting to solicit interest in establishing a Restoration Advisory Board (RAB) at Cannon AFB.

The RAB provides a forum for discussing and exchanging information about environmental investigations and cleanup efforts at Cannon AFB. Members from the local communities surrounding the base, the Air Force, and the NM State and Federal Regulatory Agencies are invited to participate.

**The meeting will be held on 14 Sept 2016 at 6:00pm at the following location:**  
Clovis-Carver Public Library, 701 N. Main St., Clovis, New Mexico 88101,  
Phone: (575) 769-7840

If you have any written comments or questions regarding the Restoration Program or the establishment of the RAB, please contact the following:

  - **Reach Closure on 90% of Sites by 2018**
  - **Reach Closure on 95% of Sites by 2021**
- **Award of Performance Based Remediation (PBR) Contracts to Facilitate Expedited Site Cleanup.**

### **Through PBR Contracts - Cannon is on Track!**

- **Currently 35 Sites are Included in PBR Contracts**
  - **34 RCRA sites**
  - **1 MMRP site**

# Cannon AFB RCRA Hazardous Waste Permit Site Summary

5

+

10

+

141

+

23

Currently listed on Table 1 of the RCRA Permit as Requiring Corrective Action

Currently Under NMED Review for CACP or in "deferred status"

Currently listed on Table 2 of the RCRA Permit with Corrective Action Complete with Controls Status; Response Complete

Currently listed on Table 3 of the RCRA Permit with Corrective Action Complete Without Controls Status; Site Closure

---

179

Total Permitted Restoration Sites

\* All Restoration Sites Require Closure by NMED or USEPA

## ***Cannon Restoration Program Status***

- **7 sites are anticipated for Permit Modification in FY17**
- **1 MMRP site anticipated for regulatory approval (EPA) for closure in FY17**
- **28 sites are in various stages of active investigation, remediation, and / or monitoring**

## *Cannon Restoration & PBR*

- **Close sites and reduce environmental liability**
- **Working to close additional sites within the Environmental Restoration Program**
- **As part of the NMED site closure process, the public will have the opportunity to provide input prior to any site closure by means of public notices and public meetings**
- **Working with NMED to “administratively” move 61 RC sites to SC status.**

# *About the RAB*

*Sheen Kottkamp*

## ***Cannon AFB & Community***

- **Increased operations at Cannon**
- **Assessing RAB interest**
- **Facilitate flow of information**
- **Provide the community with the opportunity to review, comment, and provide advice**

## ***RAB Membership***

- **Typically 10-15 people to promote efficiency and encourage participation**
  
- **Cannon RAB to be co-chaired by:**
  - **Selected Installation Environmental Representative**
  - **Selected member of the community**
  
- **Installation provides administrative assistance, meeting facilities, and other support as necessary**

## *Meeting Schedule*

- **Proposed semiannual schedule**
- **Locations and times that are acceptable to members**
- **Meetings held at or near installation to ensure access by community**
- **Meeting locations and time will vary**

***Questions?***
