Dear Ms. Hoditschek:

In reference to your letter dated April 2, 1993, regarding the Notice of Deficiency (NOD) of the Part B Permit Application, (NM4213720101), enclosed are complete documents addressing all items of the NOD. We certainly hope that this information will facilitate your administrative review of Fort Bliss' Part B application. We would appreciate it if you let us know the complete process to acquire the Part B permit for the Open Burning/Open Detonation site after your administrative review, especially the steps where fees are involved.
