RE: Fort Bliss HSWA Permit

Dear Mr. Neleigh:

I am writing to remind you that we have not yet received the Fort Bliss HSWA Permit at the New Mexico Environment Department (NMED), Hazardous and Radioactive Materials Bureau (HRMB) since an original request on April 6, 1995; and subsequent requests on May 11th, 12th and 16th, 1995 made by telephone from Cornelius Amindyas of my staff to James Harris.

We would greatly appreciate it if you could Federal Express overnight the Fort Bliss HSWA permit. This delay has postponed our submittal to the Secretary of NMED for final determination. Thank you for your usual prompt response.

Sincerely,

Barbara Hoditschek, Manager
RCRA Permits Program
Hazardous and Radioactive Materials Bureau
