RE: Fort Bliss "Good Neighbor" Environmental Forum

Dear Mr. Pullen:

You are invited to the second Fort Bliss "Good Neighbor" Environmental Forum to be held at 7:00 p.m. on Monday, August 12, 1996, in the Commanding General's Conference Room in Building 2, Fort Bliss. This meeting is being held in our continuing efforts to foster public awareness of Fort Bliss' environmental programs.

This meeting will include an overview of Castner Range ordnance waste removal project, Fort Bliss' Restoration Program, and local/state environmental partnering initiatives. The meeting is expected to last about one hour. Guests will be asked to limit their questions to the subject matter being discussed on that night. If guests are interested in learning about a particular topic that is not being discussed, the topic may be placed on the agenda for the next "Good Neighbor" Forum.

Thank you for your interest in Fort Bliss. I am looking forward to your participation in the "Good Neighbor" Forum Program.

Sincerely,

James R. Hartman
Director of Environment
