RE: Annual Unit Audit for 1999

Dear Major General Cavin:

The RCRA Permits Management Program (RPMP) has reviewed the information submitted in reference to the inclusion of SWMU 72 in the AUA for 1999. Based on this review a revised Annual Unit Audit (AUA) for 1999 is being issued. Under the provisions of 20.4.2.201.1NMAC the AUA is used to determine the Annual Hazardous Waste Management Business Fee (AHWMBF) for each facility. The revised AHWMBF reflects a reduction of \$250.00 for the removal of SWMU 72.

As a result of the AUA, an Annual Hazardous Waste Management Business Fee of \$5,000.00 is assessed for Fort Bliss. Tables used for the calculation of this fee are enclosed.

Payment is due within sixty (60) days of your receipt of this letter, as required by 20.4.2.401 NMAC. Should the return receipt be sent back to the Hazardous Materials Bureau without a date of receipt, the fees are due sixty (60) days from the date of this letter. Payment should be made by certified check or money order payable to the New Mexico Environment Department Hazardous Waste Fund #339. Should you need to request an extension of the sixty (60) day period, the request must be received a minimum of fourteen (14) calendar days prior to the end of the sixty (60) day period.

Major General Dennis D Cavin

This fourteen (14) day period is necessary to ensure that the facility receives written approval or denial prior to the expiration of the sixty (60) day payment period.
