Dear Mr. Landreth:

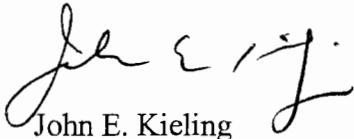

The New Mexico Environment Department (NMED) received Ft. Bliss's *McGregor Range Camp Landfill Post Closure Certification Report*, dated March 2005. NMED has accepted the document for technical review and considers the document a Corrective Measures Implementation (CMI) Report. NMED will provide Ft. Bliss with a full technical review after the appropriate fees have been received. The fee invoice will be sent to you under separate cover. Upon receipt of the payment, NMED will initiate the technical review of the report in accordance with 20.4.2.200.A(7) NMAC.

If payment is by check, then please provide the invoice number on the check. If payment is transmitted electronically, then you must submit a letter to Ms. Cheryl Frischkorn, with a copy to Mr. James Valdez, Hazardous Waste Bureau (HWB), indicating the invoice number, payment amount, and the assessed activity prior to transferring funds. If the HWB does not receive notification, it will not begin the technical review of the document.
