Dear Mr. Landreth:

The New Mexico Environment Department (NMED) received the Department of the Army's (Permittee) *Request for Extension*, dated September 17, 2007. The Permittee requests an additional 45 days to submit a revised RCRA Facility Investigation (RFI) Work Plan for the Oro Grande Landfill, Solid Waste Management Unit (SWMU) 25.

NMED hereby approves the 45 day extension request. The Permittee must submit the revised RFI Work Plan and responses to NMED's March 21, 2007 Notice of Deficiency comments no later than November 9, 2007. This is the second extension request for submittal of the revised RFI Work Plan and, in the future, the Permittee must take all necessary steps to ensure that further delays do not occur.
