David Morgan	Sharon Moore	
SUBJECT HAFB Part B Application for Dunn Storage Area		
DISCUSSION I asked Sharon if a) she had had a chance to review the application & prepare any substitute sections she wanted to include prior to review; and b) whether any decision had been reached as to whether to move the building or fix the floor in situ. She indicated she had not had a chance to review the application and no decision had been reached on the floor. She asked for at least another month to review the application & indicated that a decision on moving the building / fixing the floor might be quite a way in the future.
