

MEMORANDUM

Date: 12/30/91

Subject: Agenda for 12/31/91 conference call regarding Holloman AFB sewage lagoon investigations.

From: F. Fisher, HAFB

To: B. Swanton, NMED; W. Hise, S. Gibson, Radian; R. Stirling, D. Lakin, ACE; J. Rinehart, EPA; B. Johnson, TAC

PLANNED PARTICIPANTS:

Dr. Bruce Swanton, New Mexico Environmental Department 505 827-4300
Ms. Sharon Moore, Holloman Air Force Base 505 479-3931
Dr. Fred Fisher, Holloman Air Force Base 505 479-3931
Mr. Wallace Hise, Radian Corporation, Austin 512 454-4797
Mr. Steve Gibson, Radian Corporation, Austin 512 244-0855
Mr. Ron Stirling, Army Corps of Engineers, Omaha 402 221-3761
Ms. Danielle Lakin, Army Corps of Engineers, Omaha 402 221-3761
Mr. Jon Rinehart, Environmental Protection Agency, Dallas 214 655-6790
Mr. Brent Johnson, Tactical Air Command HQ, Langley AFB 804 764-4430

A conference call will be initiated by Radian Corporation at 1000 MST (1100 CST, 1200 EST) 12/31/91 to discuss the following items:

- (1) Verify acceptable contamination levels for volatile organics in method 8240 samples.
- (2) Continue and conclude (?) discussion of appropriate MDL's and reporting procedures for groundwater resampling. Determine if revised presentation of September sampling results will be useful.
- (3) Determine if semi-annual detection monitoring (indicator parameters) needs to be performed during Jan-Mar.
- (4) Verify schedule for assessment monitoring resampling.
