SUBJECT: 60-Day Extension Request for SWMU 141 Request for Supplemental Information (RSI) Response

1. Holloman AFB requests a 60-day extension to fully respond to subject RSI. Our Environmental Restoration personnel are working with Mr. Cornelius Amindyas of your staff to resolve the issues addressed in the RSI letter dated 5 Mar 02. The extension would move the due date to 3 January 03.
2. We are committed to addressing all environmental issues in a complete and timely manner; however, the extension is needed to fully address the RSI's comments. SWMU 141 was discussed at a 30 May meeting between Mr. Amindyas and our staff. Issues pertaining to this RSI were addressed at this meeting. We hope you will consider and approve this petition for a deadline extension so this matter can be accurately addressed.
3. If you have any questions or require additional information, please contact me or Mr. Dan Holmquist at (505) 572-5395.
