Dear Ms. Hartell:

The New Mexico Environment Department (NMED) Hazardous Waste Bureau (HWB) has completed a review of the above referenced document. The New Mexico Hazardous Waste Management Fee Regulations 20.4.2 NMAC require assessment of fees when administrative review of a document is complete. NMED will issue an invoice to you under a separate letter.

Payment is due within sixty (60) calendar days from the date that you receive the invoice. Should the Return Receipt be sent back to us without a date of receipt the fees are due sixty (60) calendar days from the date of this letter. Payment should be made by certified check or money order payable to the New Mexico Environment Department Hazardous Waste Permits Fund 339.

If you need to request an extension of the sixty-day period, you must ensure that NMED receives the request a minimum of fourteen (14) calendar days prior to the end of the sixty-day period. If you disagree with the fee assessed, you may file an Administrative Appeal under the provisions of 20.4.2.302.1 NMAC.
