PUBLIC SERVICE ANNOUNCEMENT

The New Mexico Environment Department Hazardous Waste Bureau is proposing to approve a Permit Modification to the Holloman Air Force Base Hazardous Waste Permit. The proposed action would grant Corrective Action Complete Without Controls status for 30 solid waste management units and areas of concern. It would also grant Corrective Action Complete with Controls status for two solid waste management units. In addition, eleven sites requiring corrective action will be added as areas of concern to the Permit. Information regarding this proposed action is available for review at the Environment Department Hazardous Waste Bureau in Santa Fe or at <https://www.env.nm.gov/HWB/hafbperm.html>. The public comment period on this proposed action ends on March 26, 2017. For further information, please contact Dave Cobrain of the New Mexico Environment Department at (505) 476-6055.
