**RE: APPROVAL WITH MODIFICATION
RESPONSE TO THE NOTICE OF DISAPPROVAL FOR THE MULTI-SITE
RCRA FACILITY INVESTIGATION WORK PLAN ADDENDUM, MARCH 2017
HOLLOMAN AIR FORCE BASE, EPA ID # NM6572124422
HWB-HAFB-14-003**

Dear Mr. Kusmak:

On September 29, 2017, the New Mexico Environment Department (NMED) received the Holloman Air Force Base (Permittee) undated response to NMED's July 14, 2017 Notice of Disapproval (NOD) for the Multi-Site RCRA Facility Investigation Work Plan Addendum (Work Plan) dated March 2017. The submission included a revised Work Plan dated September 2017. The subject response and, subsequently, the revised Work Plan, are approved with the following modification.

As per NMED's comment #5 of the NOD, all figures must show a coordinate system (e.g., UTM, State Plane, latitude/longitude). The figures presented in the revised Work Plan still do not show a coordinate system. Such a system must be shown within the figure margins in all future submissions to NMED.

The Permittee must submit a report summarizing the results of implementation of the Work Plan no later than **October 30, 2018**.

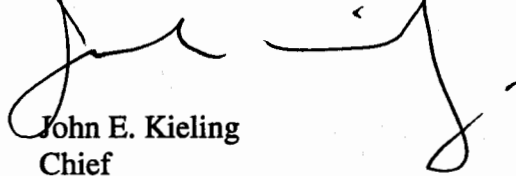

Mr. Adam Kusmak
