SUBJECT: Request for Extension for submitting Interim Measures Report for ODU20K, 20,000-Pound Detonation Unit, Holloman AFB, NM.

Dear Mr. Pierard,

Holloman requests an extension for submitting the revised Interim Measures(IM) report for the ODU20K, 20,000-Pound Detonation Unit. We received comments on this report from your office in late February and are presently revising the document to reflect the changes requested in the comments. However, the time period for this response will not allow complete review by the Air Force.

Therefore, we request a 60-day extension for submitting the IM report until 29 July 2020.

If you have any questions or concerns regarding this submittal, please contact me at (575) 572-6675.

Sincerely,
