**RE: REVISED 2023 ANNUAL FEE
HOLLOMAN AIR FORCE BASE, NEW MEXICO
EPA ID # NM6572124422**

Dear Mr. Dorton,

On October 2, 2023, New Mexico Environment Department (NMED) sent the fee letter for assessment of the annual fee for Holloman Air Force Base (HAFB) for 2023. NMED was notified by HAFB of a discrepancy in the spreadsheet. NMED has revised the invoice and is re-sending the annual fee assessment.

NMED established the 2023 Annual Fee for your facility pursuant to the Hazardous Waste Permit and Corrective Action Fee Regulations, 20.4.2 NMAC. In accordance with 20.4.2.201.A NMAC, the enclosed tables were developed from the facility permit, Part A application, or enforceable document. The tables are formatted accordingly: 1) Table A – Hazardous Waste Management Activities; 2) Table B - Corrective Action; and 3) Table C - Summary of Units.

Enclosed is the invoice for the 2023 Annual Fee, based on your facility's status as of January 1, 2023, pursuant to 20.4.2.211 NMAC which states: "The annual fee shall be assessed for each unit identified in the facility permit, Part A application, and enforceable document on January 1 of the assessed year." Under the provisions of 20.4.2.301.C NMAC "[p]ayment shall be due within sixty (60) days of receipt of the invoice unless the facility submits to NMED a written request seven (7) days prior to the end of the sixty (60) day period and receives written approval to extend the time for payment before the date payment is due."

Under the provisions of 20.4.2.302.A NMAC, "any owner or operator seeking to appeal an invoice for fees under this part must first notify the NMED in writing of the intent to appeal the invoice within thirty (30) calendar days of receipt of the invoice. The notice shall set forth the specific matters in dispute, the basis for the dispute, and any matters considered necessary for NMED's consideration. The parties shall have thirty (30) calendar days from NMED's receipt of notification to meet or confer with NMED to attempt to resolve the matters in the dispute. The secretary may extend deadlines under this section upon a determination that good cause exists. If an agreement is reached resolving the dispute, NMED may issue
