**RE: OPERATING PERMIT  
KIRTLAND AIR FORCE BASE  
NM9570024423**

Dear Mr. Honker:

Enclosed is your agency's copy of the operating permit for the hazardous waste units at Kirtland Air Force Base (KAFB). The permitted units and process are storage in containers in three buildings. As is indicated in the transmittal letter to Colonel Brannum, the permit becomes effective upon issuance which was July 24, 1990.

The changes made to the draft permit and the reasons for doing so are detailed in the responses to comments from the Environmental Improvement Division.

If you have questions, please contact me at (505) 827-2934.

Sincerely,

A. Elizabeth Gordon, Ph.D.  
Permitting Supervisor  
Hazardous Waste Program
