Dear Cornelius,

As per our phone conversation on December 22, 1993, enclosed is a job description for a soil sampler. Also as requested by you, the amount of sampling to be done as described on page 2-9 of the EOD facility permit application will be 3 samples at 100-foot intervals along each of the 8 radiating lines.

If you have any questions please contact me at 846-0029.
