APPROVAL, JUNE 2006  
KIRTLAND AIR FORCE BASE, EPA ID# NM9570024423  
HWB-KAFB-06-009**

Dear Mr. Lanz:

The New Mexico Environment Department (NMED) received Kirtland Air Force Base's (the Permittee's) subject document. The NMED has accepted and completed its technical review of the document. The fee invoice will be sent to you under separate cover. Payment is due within sixty (60) calendar days from the date that you receive the invoice. If you disagree with the fee assessed, you may file an Administrative Appeal under the provisions of 20.4.2.302.1 NMAC.

If payment is by check, then you must provide the invoice number on the check. If payment is transmitted electronically, then you must submit a letter to Mr. James Valdez, NMED Hazardous Waste Bureau, indicating the invoice number, payment amount, and the assessed activity prior to transferring funds.

Based on staff review of the subject document and prior inspection of the eleven septic systems in the field, the NMED concurs that these septic systems are suitable for petition for No Further Action.
