Subject: RE: My georeferenced location of 1951 Fuel rack at KAFB SS-111

If you are planning to observe the geophysical surveying, I would suggest Wednesday afternoon, as Sharon does not think it will require Wed and Thurs to complete after discussing with the subcontractor.

Hello recipients,

I attach this map; themed in Green for St Patty's Day. Have a look and see which fuel

rack is your candidate for the LNAPL Plume source.
