Dear Mr. Kieling

Kirtland Air Force Base (KAFB) is formally requesting a two (2) week extension for submitting its *Quarterly Pre-Remedy Monitoring and Site Investigation Report for October – December 2011, Bulk Fuels Facility Spill Solid Waste Management Units ST-106 and SS-111*. This formal request is a follow on to discussions and NMED concurrences during the 15 February 2012 Tiger Team meeting and KAFB's 14 March 2012 email notification to NMED.

The extension request is required to allow for adequate time to correct data inconsistencies found during our quality assurance/quality control report processes. In order to submit accurate report data, an extension is respectfully requested. If approved by NMED, the new submission date will change from 30 March to 13 April 2012.

Please contact Mr. L. Wayne Bitner at (505) 853-3484 or at [lbitner@nmed.nm.gov](mailto:lbitner@nmed.nm.gov) if you have questions.

Sincerely

  
JOHN C. KUBINEC, Colonel, USAF
