Subject: KAFB BFF public meeting March 22
Signed By: othana.zuch@us.af.mil

Dear Neighbor,

The Air Force and the New Mexico Environment Department will be co-hosting a public meeting for the Kirtland Air Force Base Bulk Fuels Facility (BFF) leak project on Thursday, March 22, at the African American Performing Arts Center. The Center is located at 310 San Pedro NE, near the intersection of San Pedro Dr. NE and Copper Ave. Additionally, an open house will be held at the groundwater treatment system facility on Saturday, March 24, from 10 a.m. to 2 p.m.

From 5:30 to 6 p.m. on March 22, interested community members are invited to participate in a poster session. The main meeting presentation runs from 6 to 8 p.m. and will include a project status update and overview of the NMED 2018 Strategic Plan, as well as a question and answer period.

The March 24 open house at the groundwater treatment system facility is an opportunity to learn about the work being done to remove groundwater contamination caused by a historical leak at the old base bulk fuels facility. Interested community members will be able to access the facility from the Ridgecrest Gate. Air Force and NMED environmental experts will be available at the facility to explain clean-up activities and answer questions.

If you would like additional information, please contact 377th Air Base Wing Public Affairs at 505-846-5991 or by email, 377ABW.PA@us.af.mil, or the Air Force Installation and Mission Support Center Public Affairs at 866-725-7617, or by email, AFIMSC.PA.Workflow@us.af.mil.

We ask that you share this notification with others in your community and hope you can join us at the upcoming event!

Regards,
Kirtland Air Force Base Public Affairs
