Mr. Dave Cobrain  
New Mexico Environment Department  
2905 Rodeo Park Drive East, Building 1  
Santa Fe NM 87505-6303

Dear Mr. Cobrain

The Air Force is in receipt of the New Mexico Environment Department's (NMED) letter dated 04 October 2019 regarding Solid Waste Management Unit (SWMU) Landfill-002 (LF-002).

This letter directed the relocation and/or plug and abandonment of the Albuquerque Bernalillo County Water Utility Authority's (ABCWUA) active sanitary sewer effluent line which crosses Kirtland AFB and runs through the closed landfill SWMU LF-002. Since this involves a third party whose infrastructure is on Kirtland AFB, it is currently undergoing extended legal review. The US Air Force is requesting an extension to 31 March 2019 to allow time to complete a full legal review of this issue.

If you have any questions, please contact Mr. Scott Clark at (505) 846-9017 or via email at [scott.clark@us.af.mil](mailto:scott.clark@us.af.mil).

Sincerely

DAVID S. MILLER, Colonel, USAF  
Commander
