Dear Colonel Benson,

The New Mexico Environment Department has received Cannon Air Force Base's \$19,000. payment for the Melrose Air Force Range's Resource Conservation and Recovery Act permit fee. Technical review of the Permit Application, Part B, will now begin.

Following the technical review, a draft permit will be written and presented for public comment. A final permit will then be issued after comments are considered for incorporation into the draft permit.

If you have any questions concerning the permitting process, please do not hesitate to contact Mr. Tom Tatkin or Dr. Herb Grover at 827-4300.

Sincerely,

Edward L. Horst, Program Manager
