Dear Mr. Mayer:

Subject: Installation of Administrative  
Controls - Person Generating  
Station Natural Pit, NMT360010342

I certify under penalty of law that this document and all enclosures were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

Jack D. Maddox, Director  
Resources and Nuclear Services

Pursuant to your letter of February 25, 1991, Public Service Company of New Mexico (PNM) is hereby certifying that the administrative controls specified in that letter for the Person Station Natural Pit have been performed. Specifically, those controls include:

- 1) Survey plat of the Natural Pit Area according to procedures required in 40 CFR 264.116; and
- 2) Warning signs are posted marking the unit location to alert any oncoming persons to this area.

The warning signs were posted on May 24, 1991, at three access locations to the Natural Pit.
