RE: Annual Unit Audit for 1999

Dear Mr. Johnson:

The Hazardous and Radioactive Materials Bureau has completed a review of our files for your facility and listed units according to the requirements of 20 NMAC 4.2. §§201.1 and 201.2. Enclosed are tables which reflect the types and number of units contained in your facility's Hazardous Waste Permit and administrative record.

The HRMB asks that you review the enclosed tables and comment on them within 30 days of the receipt of this letter. Should you determine there is a discrepancy please contact your Facility's point of contact at HRMB or myself, at (505) 827-1561 ext. 1039, to set up a meeting to discuss the discrepancy.

Sincerely,

Robert S. Dinwiddie, Ph.D.
RCRA Advisor (Acting)
