RE: *Treatment Effectiveness Report, Second Quarter 2003, Public Service Company of New Mexico Person Generating Station Groundwater Treatment System, NMT 360010342*

Dear Mr. Warder:

Enclosed please find two copies of the subject report submitted pursuant to requirements contained in the Person Station Corrective Action Directive issued in September 1991.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

James L. Ray
Director, Production Projects and Operations
