RE: ANNUAL UNIT AUDIT – CALENDAR YEAR 2003
PNM PERSON GENERATING STATION-NMT360010342

Dear Mr. Hale:

The New Mexico Environment Department (NMED) has completed the Final Annual Unit Audit (AUA) for Calendar Year 2003 for your facility. Enclosed are the AUA Tables only for those units that will be billed. The Tables were developed from the Annual Unit Audit of Calendar Year 2002 and comments received from your facility. Also enclosed is an invoice for the Annual Hazardous Waste Management Business Fee. The tables are formatted accordingly: 1) Table A includes all operating, closure, and post-closure care units; 2) Table B includes corrective action units (e.g. SWMUs); and 3) Table C is the summary of all billable units.

As requested in the April 6, 2004 letter from NMED, if your facility has operating unit(s) that did not manage hazardous waste for the entire 2003 calendar year, an affidavit must be provided to NMED affirming no such activity. NMED will then not assess a fee for the 2003 calendar year. The Fee shall be paid in full if permitted hazardous waste management activities took place at the site or unit during any part of the calendar year, 20.4.2.208.1 NMAC.

Under the provisions of 20.4.2.301.1 NMAC, "Payment shall be due within sixty (60) days of receipt of the invoice unless the facility submits to NMED at the address on the letterhead a written request and receives written approval to extend the time for payment before the date

payment is due." Should the Return Receipt Request card attached to this letter be returned without a date of receipt the fee is due within sixty (60) days of the date of this letter.

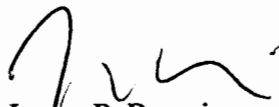

Should your facility find it necessary to appeal the Annual Fee invoice under the provisions of 20.4.2.302 NMAC the appeal must be filed within thirty (30) days of the date of the invoice accompanying this letter. Any appeal of the Fee invoice must be filed in writing and accompanied by a copy of the invoice being contested and state the grounds upon which the appellant disagrees with the assessment.

Appeals must be filed directly with the:

Hearing Clerk
New Mexico Environment Department
P.O. Box 26110
1190 Saint Francis Drive
Santa Fe, New Mexico 87502-6110

Should you have questions concerning this Annual Unit Audit please call your respective Hazardous Waste Bureau project leader, or John Kieling at (505) 428-2500.

Sincerely,

James P. Bearzi
Chief
Hazardous Waste Bureau

**RE: REQUEST FOR SUPPLEMENTAL INFORMATION: GROUNDWATER
MONITORING DATA ANNUAL REPORT FOR 2003
JANUARY 2004
PERSON GENERATING STATION, EPA ID# NMT360010342
HWB-PNM-04-001**

Dear Mr. Hale:

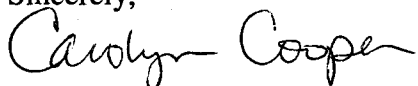

The New Mexico Environment Department (NMED) has reviewed the subject document. Based on our review, supplemental information is requested. Please respond to this Request for Supplemental Information within sixty (60) days of receipt of this letter.

- 1) Section 2.0 Water Level Measurements: Please revise Table 3 to include the water levels measured in each well during the Spring 2003 and Fall 2003 sampling events.
- 2) Section 3.4 Groundwater Plume Monitoring: Please provide figures showing the extent of the TCE and DCE plumes as currently defined (October 2003) with an overlay of the extent of the plumes as they were defined at the beginning of the corrective action process.

Mr. Hale
