RE: PNM Person Generating Station Permit No. NMT 360010342 – 2014 Semi-Annual Report

Dear Mr. Kieling:

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

Maureen Gannon

Executive Director, Environmental Services Department

Pursuant to requirements contained in the Person Generating Station Post-Closure Care Permit (NMT360010342), Public Service Company of New Mexico hereby submits one hard copy and one CD containing an electronic copy of the semi-annual report for the reporting period of July 1, 2014, through December 31, 2014.

If you have any questions, please contact me at (505) 241-2014.

Sincerely,

A handwritten signature in cursive script, appearing to read "John Hale".

John Hale, P.E.
Technical Project Manager
