Subject: Financial Assurance

Good afternoon Ms. Harvey:

I received Safety-Kleen's Financial Assurance Letter Report from you on January 26, 2017. This memo is to inform you that the document was not complete. You need to also send the Certificate of Insurance Liability (along with it), similar in content, but not identical, to the document in the current Albuquerque [and Farmington] Operating Permit **Attachment 12 - Financial Assurance**. Please refer to that Attachment for content, and re-send the complete document and future permit related correspondence to our Bureau Chief Mr. Kieling in Santa Fe, and a courtesy copy to me at the addresses below. Please send the complete Financial Assurance document by close of business **March 10, 2017** to:

Mr. John E. Kieling
Chief
New Mexico Environment Department
Hazardous Waste Bureau
2905 Rodeo Park Drive East, Building 1
