2:23 Scott Fore Safety-Kleen ^{head} env. eng. - sending SK-F permit trigger date for appeal is April 04, 1991 date of decision; apologized from sending late Transitional period causing some delay. Told him of letter re SK-A6 and agreement reached with Wayne Olson + Robert Wachsmuth re. info by April 29, 1991 report with not getting info with red flags to signal degree of change in paint storage bldg - probably. I agree of communication on both sides am backing up to receive info and will reopen public comment period; this issue only if info not received by April 29 will go with permit denial - want to work with them and their compliance with city fire code.
