RE: FEE ASSESSMENT FOR THE MIXED WASTE LANDFILL HEARING
SANDIA NATIONAL LABORATORIES NM5890110518
HWB-SNL-04-021h

Dear Ms. Wagner and Mr. Davies:

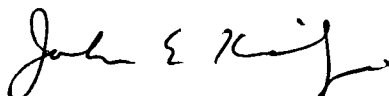

The New Mexico Environment Department (NMED) held a public hearing in the matter of the Class 3 permit modification regarding the remedy selection of Sandia National Laboratories Mixed Waste Landfill. NMED is assessing a Hearing Fee in accordance with 20.4.1.201.8 NMAC, Hazardous Waste Fees. The fee assessment invoice will be sent to you under separate cover. Payment is due within 60 days from the day you receive the invoice. If fees are transmitted electronically, you must submit a letter to Bryon Pippin, Hazardous Waste Bureau, indicating the invoice number, payment amount, date of payment and the assessed activity.

Should you request an extension of the sixty-day period, the request must be received by NMED within a minimum of fourteen (14) calendar days prior to the end of the sixty-day period. Should you disagree with the fee assessed you may file an Administrative Appeal under the provisions of 20.4.2.302.1 NMAC.
