DATE: January 6, 1989

SUBJECT: Press Release

Please release the following item to the media for immediate publication. Thank you.

The New Mexico Environmental Improvement Division of the Health and Environment Department will hold a public meeting about Sparton Technology at Cibola High School in Albuquerque on January 18, 1989. The purpose of the meeting is to present information on the department's process for reviewing hazardous waste permit applications. The meeting will start at 6:30 p.m. and end about 10:00 p.m.

The public meeting will discuss an application for a hazardous waste post-closure care permit for Sparton Technology, Inc. The meeting will not be a formal public hearing. It will be an informal informational meeting which will include a briefing on the permitting process and the contents of the permit which will be issued to Sparton.

Interested person are welcomed to attend the meeting and ask any questions they have regarding the subject.
