Re: Request to Review File; Spartan Industries

Dear Mr. McQuillan,

Our office represents New Mexico Citizens for Clean Air and Water (NMCCAW), a statewide organization dedicated to the protection and enhancement of New Mexico's environment. On behalf of NMCCAW, I request access to the Spartan Industries file in the Ground Water Protection and Remediation Bureau. NMCCAW understands that Spartan Industries may be in violation of state and federal law relating to the discharge and/or disposal of hazardous substances at their site in Bernalillo County. Please circulate this letter to other bureaus at NMED which may have relevant information concerning Spartan Industries.

I will call to arrange a time to review the file. In the meantime, if you have any questions, please call me at (505) 988-4714.

Sincerely,

Eric Ames
