Sparton Technology, Inc.
Coors Road Facility
Albuquerque, New Mexico

Dear Rob:

This letter is confirming the installation schedule discussed in our telephone conversation of Friday, January 24, 1997. The drilling contractor and Metric will begin installation mid-morning on Monday, February 3, 1997. This schedule is consistent with Jim Harris' letter to Ana Marie Ortiz dated January 17, 1997.

If you have any questions, feel free to call either me or Gary Richardson at Metric.

Sincerely,
