Re:Sparton Technology, Inc. Semi-Annual CRF GWMP Progress Report .

Dear Mr. Hebert:

Please replace the water elevation tables in the July 1999 and January 2000 Semi-Annual CRF GWMP Progress Report with the enclosed updated tables. We update these tables quarterly as new surveys are completed on our groundwater monitoring wells.

If you have any questions please contact John Rose at (505) 892-5300.

Sincerely,
SPARTON TECHNOLOGY, INC.

John Rose
Environmental/ Safety Engineer
