Dear Messrs. Barnes and Kieling:

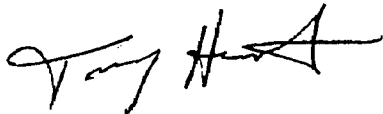

Re: Request for Schedule Extension for 2004 Annual Report Submittal  
Sparton Technology, Inc., Consent Decree  
Civil Action No. CIV 97 0206 LH/JHG

Further to discussions between Mr. Charles A. Barnes (EPA) and James Harris (Representing Sparton Technology, Inc. (Sparton)) on Friday (4/29/2005), Sparton confirms its request for an extension concerning submission of the 2004 Annual Report as required by the subject Consent Decree. In your discussions I understand you indicated that the EPA would approve this extension whereby the 2004 Annual Report will be submitted to EPA and NMED on or before June 1st, 2004.

By copy of this letter I am requesting Mr. John Kieling to please advise me (719-649-1944) if such an extension is not acceptable to NMED.

If you have any questions, please feel free to give me a call (719-649-1944).

Sincerely,
