**RE: Closure Plan, Transwestern Pipeline Company (TPC), Roswell  
Compressor Station Surface Impoundments**

**EPA I.D. No. NMD986676955**

Dear Mr. Kendrick:

Enclosed is the modified version of the January 16, 1995 closure plan of the Transwestern Pipeline Company (TPC), Roswell Compressor Station Surface Impoundments for your comments.

Changes made to the closure plan by New Mexico Environment Department, Hazardous and Radioactive Materials Bureau (HRMB) are indicated as follows: ~~Strikeouts~~ indicate deleted material, shaded areas indicate added material.

In order to expedite the closure plan process, your comments on the modified closure plan to HRMB are requested by July 27, 1995. This will enable HRMB to promulgate a thirty (30) day public notice period upon receiving any comments you submit to HRMB.

If you have any questions on the modified closure plan please call me or Teri Davis at (505) 827-4308.

Sincerely,

*Barbara Hoditschek*  
Barbara Hoditschek, Manager  
RCRA Permits Program  
Hazardous and Radioactive Materials Bureau
