Dear Mr. Long and Ms. Boultinghouse:

The New Mexico Environment Department (NMED) has reviewed the Transwestern Pipeline Company, LLC (Transwestern) Request for Extension dated March 25, 2019 and received on March 27, 2019. The stated reason for the request is that the 2018 Implicit Price Deflater on Table 1.1.9 will not be finalized by the Bureau of Economic Analysis until March 28, 2019. Additional time is also needed to address the changes from NMED's March 19, 2019 Disapproval letter for the 2018 financial assurance submittal.

The Permittee is requesting a 30-Day Extension to April 23, 2019. NMED hereby approves the extension request. The financial assurance submittal must be submitted no later than April 23, 2019.

Mr. Long and Ms. Boultinghouse
