**Subject:** [EXT] RE: Triassic Park site Water Rights

Dave,

The water rights belong to Robert W. Marley and Gandy Marley Inc. under the W R file #L11326.

Please let me know if there is anything else you may need on this.

Thanks,  
Larry

**Subject:** Triassic Park site Water Rights

Larry/Mike,

Would you please identify the owner of the water rights for the Triassic Park site in a response to this email for the NMED administrative record?

Thank you.
