Good Afternoon!

This is the second notice concerning the upcoming 69th WIPP Quarterly Review meeting. The meeting is scheduled for **Tuesday, January 18, 2000, at 9:00 AM**, and will be held in the second floor conference room at the NM Energy, Minerals, and Natural Resources office at 2040 South Pacheco, Santa Fe.

Attached is the proposed agenda which reflects EEG, NMEMNRD, and NMED/DOE-OB input. I need speakers and time estimates for most of the proposed presentations after lunch. Please get back to me ASAP if you have significant objections to the tentative agenda. If I don't hear from you by close of business Thursday, January 13, I will retain all topics assigned to your organization and will expect you to address each one in some fashion. If all works well, I can generate a final agenda and distribute it Friday afternoon

Any questions? E-mail me at [steve\\_zappe@nmenv.state.nm.us](mailto:steve_zappe@nmenv.state.nm.us) or call me at 827-1560, x1013. Let's all hope for a constructive meeting on the 18th!

Sincerely,

Steve Zappe
