SUBJECT: Delay of Audit (A-00-13) of Los Alamos National Laboratory (LANL) TRU Waste Characterization and Certification Programs.

TO: Distribution

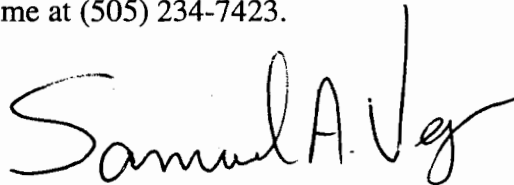

Please be advised that CAO Audit A-00-13 of Los Alamos National Laboratory (LANL) in Los Alamos, New Mexico scheduled for August 21-31, 2000 has been delayed and restructured into two audits.

Audit A-00-13 will be conducted during the week of August 28, 2000. The scope will include recertification of LANL QA program, nondestructive assay (NDA), and transportation activities.

Audit A-00-16 will be conducted during the week of September 25, 2000. The scope will include the remainder of the LANL TRU waste characterization activities for debris waste and compliance with the WIPP Hazardous Waste Permit Waste Analysis Plan.

Revised notifications and audit plans will be issued shortly.

If you have any questions please contact me at (505) 234-7423.
