Steve-

Glad you're getting some "work adjust" and a long weekend! I would like to talk with you as I have several questions, so please call me on Tuesday.

Please fax me the following:

1. WWIS information about shipments to WIPP since August 24, which should include shipments from Rocky Flats, Hanford, and INEEL, including for

RL-00-02 and KN000803. *→ new report attached*
→ no change, receipt date of 8/26/00

2. The current repository report and any information about impending shipments from those three sites.

3. Any response received to your inquiries about the WWIS related to RL-00-02 and KN000803. *— no response yet.*

Thanks for your assistance.
