Good Morning!

This is the second notice concerning the upcoming 73rd WIPP Quarterly Review meeting. I'm sending it via fax because our e-mail is down this morning. The meeting is scheduled for **Tuesday, January 16, 2001, at 9:00 AM**, and will be held in the North Atrium of the Harold Runnels building at the main NMED office at 1190 St. Francis Drive, Santa Fe. Parking can be a problem, so I recommend taking St. Francis to Cordova (Wild Oats Market is on the NW corner), turn left on Cordova, and take the next left into the parking lot.

Attached is the proposed agenda. I need speakers for most of the proposed presentations after lunch. Please get back to me ASAP if you have significant objections to the tentative agenda. If I don't hear from you by close of business Thursday, January 11, I will retain all topics assigned to your organization and will expect you to address each one in some fashion. If all works well, I can generate a final agenda and distribute it Friday afternoon

Any questions? E-mail me at <steve_zappe@nmenv.state.nm.us> or call me at 827-1560, x1013. Let's all hope for a constructive meeting on the 16th!

Sincerely,

Steve Zappe
