Steve,

Please fax me the following (unless it is so voluminous that you'd rather mail it):

- yes

1. WWIS information about shipments to WIPP since February 13. You have provided me the Shipment Summary reports for RF010013 and RF010011, so I need shipment and receipt dates for those two. I need receipt dates for IN010041 and 42.

2/15, 2/16

2/16, 2/17

→ 2/16/01  
→ 2/15/01

I understand that I (and the other commentors) will get the determination letter and the comment responses for the DAC. yes

I would like to get a copy of the DAC extension letter to DOE. → attached

I also want to get copies of audit report letters to DOE, as you have provided in the past.

Thank you for your help.

Don't get carried away on Friday!
