ALBUQUERQUE, NM 87107 87105

Mr Steve Zappe
NMED
2905 Rodeo Park Dr East
Santa Fe NM 87505 Bldg 1

July 5, 03

Dear Mr Zappe -

I urge NMED to deny the modification requests for LANS sealed sources and DAC for 5- and 100-gallon drums and direct loaded ten-drum overpacks.

Neither modification request to the WIPP permit is complete and accurate or properly a class 2 modification.

Please deny the modification requests for LANS sealed sources and the DAC for large containers.

Sincerely,

Doreen Bunting

030705
