Hey Kristen – I apologize for not getting back to you. I've been transitioning into the air engineer role, here in Gallup. Jessica O'Brien will be the interim Environmental Supervisor. She will report to Dave Pruner, EHS Manager. Also, for matters concerning RCRA waste Janelle Vestal is the Waste Engineer.

Hey Carl – Janelle will be the Gallup contact regarding the Sanitary Pond. Her contact information is listed below.

Hey Kristen,

Let's schedule a call sometime next week if you and John are in the office. I am moving into the Air Quality Engineer position here; however I want to make sure someone here picks up any issues relating to waste and remediation. Dave Pruner, EHS Manager, and Jessica O'Brien, our interim Environmental Supervisor will be handling these issues. I'll still be here as a resource however.

Thanks,

Bill

Hi Bill-

Hope you had a good vacation.

Do you have time this afternoon to speak to John and me about the email you sent a couple of weeks ago? Scott had indicated he was available. If you can't today, can you and Scott come up with a few times that work for you and I can see if John is available.

Thanks!

Kristen
